FLORIDA LEGAL RESEARCH

Florida Legal Research (FLR) is the Southeast Division of National Legal Research Group, Inc. (NLRG). FLR is devoted exclusively to providing legal research, analysis, and writing services to Florida lawyers. We maintain access to hundreds of Westlaw® databases not readily available to most Florida attorneys. FLR also has the immediate support of NLRG's headquarters staff of 35 full-time, specialized research attorneys, and its database of 70,000 prior work products.

NLRG, founded in 1969, is the nation's oldest and largest provider of legal research to attorneys, having served more than 50,000 lawyers in private practice, government, and corporate legal departments. NLRG has provided research on over 150,000 cases—a figure that is growing by an average of 3,500 cases per year. In addition, our attorneys have strong academic credentials and diverse geographical backgrounds. On average, our attorneys have 15 years' experience at NLRG, and many were engaged in private practice before joining our firm.

WHAT OTHERS ARE SAYING

“FLR makes my small firm roar like a lion. The quality of the work is excellent, the cost is reasonable, and the turn-around time is flexible. FLR gives us access to top legal minds at a fraction of the cost of hiring and training an associate.”

Larry Perry, Perry & Young, Panama City, FL

“I have been consistently impressed with the quality of the work product, the cost benefit to my clients, and the legal knowledge and skills of FLR's attorneys.”

Karl Burgunder, Oviedo, FL

“Being a solo attorney means having to do everything yourself. To free up time for firm building, I out source my research and drafting to FLR. I only wish I had discovered them sooner.”

James D. D'Loughy, Palm Beach Gardens, FL

“It is a pleasure to deal with FLR's attorneys. Their professionalism and courtesy go beyond the expected.”

Elena Vigil-Farinas, Key Largo, FL

“FLR's research is exhaustive and accurate, their pleadings exemplary, and their services cost effective, making me more efficient. I intend to use their services as long as I continue my litigation practice.”

Randy Pelham, Tallahassee, FL

WHOM WILL I BE COUNTING ON?

Sometimes it's a question worth asking. When you call on FLR, you'll be getting the services of a highly qualified and experienced member of the Florida Bar. Not everyone who wants your business can say that.

TALLEY KALEKO

Talley graduated *summa cum laude* from Florida State Law School, where she was a member of the Law Review and Editor-in-Chief of the *Journal of Transnational Law & Policy*. Prior to joining FLR, Talley clerked for Judge Robert Hinkle in the Northern District of Florida and practiced appellate, personal injury, and civil rights law and commercial litigation with Cox & Burns, PA, in Tallahassee.
